Subject: 2201_ENGR_3001_SEC1160_PREP FOR THE STEM CLASSROOM: Interested in receiving info about local teaching jobs?

As the Pitt-CIRTL institutional leader, I often receive emails from Pitt and other regional higher education institutions regarding local part-time and full-time teaching opportunities. I forward these job listings to interested individuals using Google groups.

If you'd like to join one of these teaching Google groups, please use the link below to request membership:

- Engineering teaching opportunities:
<https://groups.google.com/d/forum/pitt-cirtl-teaching-jobs-engineering>
- Math and Computer Science Opportunities:
<https://groups.google.com/d/forum/pitt-cirtl-teaching-jobs-math-and-comp-sci>
- Physical Sciences:
<https://groups.google.com/d/forum/pitt-cirtl-teaching-jobs-physical-sciences>
- Biological Sciences:
<https://groups.google.com/d/forum/pitt-cirtl-teaching-jobs-biological-sciences>

To request access to a Google group, you must be logged into a Google account and then click on a link above. If you do not have a Google account, just let me know which group you are interested in joining, and provide an email address to be added to the group.
